PRESS RELEASE–March 16 2026

Riversdale Art Walk a true celebration of Community and Creativity

Saskatoon, SK – March 2026 – The Riversdale Art Walk is an event series that started in November 2025, when artists, business owners and community members started working together to celebrate creativity in the neighbourhood.

During the Riversdale Art Walk, visitors can follow a map for self-guided tours of art exhibitions and creative experiences throughout the neighbourhood. You'll find:

- a live painting pop up at Nefilebata Arts & Crafts;
- culinary creativity at the hot chocolate bar hosted by Those Girls at the Market as well as a collaborative art project;
- a large-scale community painting hosted by the Interdisciplinary Society of Global Artists, created in response to the war in Iran;
- a unique exhibit at PAVED Arts by artist Kelly Andres entitled "Latent Swamp" made with living plants, machine learning, and water;
- live music at Art Bar and Gather Local Market; and
- 25 exhibits celebrating the 25 year anniversary of White Buffalo Youth Lodge!

Thanks to funding from the City of Saskatoon's WinterCityYXE grant, this Art Walk will also feature outside activations, including a fire throwing performance and roaming characters by the Salty Circus, giant Jenga, and a community mural wall at Saskatoon Makerspace.

Art exhibits are also featured at Anthology, AKA Artist Run Centre, Christina's Art & Soul, Green Goddess Artisan Shoppe, James Frost Fine Goods, PAVED Arts, Prism Coffee, M.T. Workshop, and The Two Twenty. The Art Walk is also supported in part by the Riversdale Business Improvement District.

Visitors can get limited edition collectible puzzles, which they can complete by collecting one sticker/puzzle piece at each Art Walk venue–revealing a unique artwork of Riversdale by Christina Thoen. See riversdaleartwalk.com for details, maps and venue listings.
